

Compass Business Finance Testimonials

“Our long and trusted relationship with Compass, has seen us run an average capital investment programme of more £2 million per annum over 15 years. Fortunately, for us both, this shows no signs of abating!”

-Steven Prizzey, Managing Director, Sterling Solutions

“Compass have been very supportive to us, and it's much appreciated. They're always on hand to chat through options and help find the best solutions for our business.”

-Steve Wenlock, Managing Director, Flexpress

“It's important to have the right funding partner, Compass understood our vision and supported us throughout.”

-Tim Guest, Managing Director, Guest Investments

“Compass seemed to understand us better than our bank.”

-Darren Taylor, Managing Director, Fusion Digital

“The most easy finance I've ever obtained. I was really shocked at how quick and easy it was.”

-Andy Adams, Finance Director, TJ Books

“Our relationship with Compass enables us to focus on opportunities and return on investment rather than having to think about finance.”

-Gary Peeling, Chief Executive Officer, Precision Proco Group

“We funded the project by borrowing against an asset rather than using a green energy funding option as the interest rates were better.”

-Nicole Spencer, Managing Director, RMC Digital

“Compass is flexible and can move at speed, which is important, particularly with MBOs – the agility of Compass makes the process a whole lot smoother.”

-Simon Smogur, Chief Executive Officer, ESP Group

“Compass listen and look after us. It’s not just a business deal. There aren’t many businesses like Compass.”

-Emma Miles, Chief Executive Officer, Kensett

“As a business, we’ve always had a very strong relationship with David, he’s in regular contact with us, makes sure that he has a thorough understanding of our business, and presents us with a range of ideas to meet our funding requirements. In addition, he always keeps things relatively straight-forward and simple – I certainly wouldn’t hesitate in recommending Compass.”

-Andrew Robbins, Managing Director, Blackmore Limited
